IN THE SENATE OF THE UNITED STATES

DECEMBER 12, 2005

Transportation

CONCURRENT RESOLUTION

Honoring the pilots of United States commercial air carriers
who volunteer to participate in the Federal flight deck
officer program.

Whereas after the tragic attacks of September 11, 2001,
Congress enacted legislation authorizing volunteer pilots
of United States commercial air carriers who participate
in the Federal flight deck officer program to use lethal
force to defend the flight deck of an aircraft against acts
of terrorism;

Whereas volunteer pilots in the Federal flight deck officer program provide a significant deterrent against potential acts of violence or terrorism in United States airspace, are an essential layer of security for the Nation's flying public, and are a key factor in restoring confidence in the Nation's air transportation system;

Whereas volunteer pilots in the Federal flight deck officer program devote personal time and finances to maintain a high standard of proficiency in the use of firearms and techniques for addressing emergencies in flight; and

Whereas volunteer pilots in the Federal flight deck officer program, at great personal risk and with no compensation or recognition, are dedicated to the protection of the flight deck, thereby providing an additional layer of protection to the aircraft, passengers, and cargo from acts of terrorism, such as the possible use of the aircraft as a weapon of mass destruction against people on the ground: Now, therefore, be it
